CONTACT:

hello@getwaiv.com

We at waiv are thrilled and proud to announce that our latest product is now available for sale globally! This document will outline a brief overview of our offerings. Our primary offerings are based on NFC technology integrated with specially designed software to empower our users with unmatched efficiency.

Introducing our **Smart Networking Cards** – now share much more than just your contact details at just a tap with your prospects by creating digital portfolio and engage in next-gen networking with our beautifully crafted concepts and help save the environment.

All our cards are delivered with:

- Embedded NFC NTag-213
- High Grade UV Printing
- Complimentary OneLynk Membership
- 6-month Hassle Free Warranty
- Extraordinary After Sales Support

Standard Networking Cards:

This card series comes with a blend of design and our branding beautifully put together. Empowering you to stand out in your interactions with our simple yet beautifully crafted Standard Networking Cards, below are some of the available concepts:

Custom Networking Cards

Users can customize the concept elements with their own logo, name, designation and other contact information. These cards also come with complimentary latest independent QR code technology that works without internet. Below are some of the concepts from this lineup:

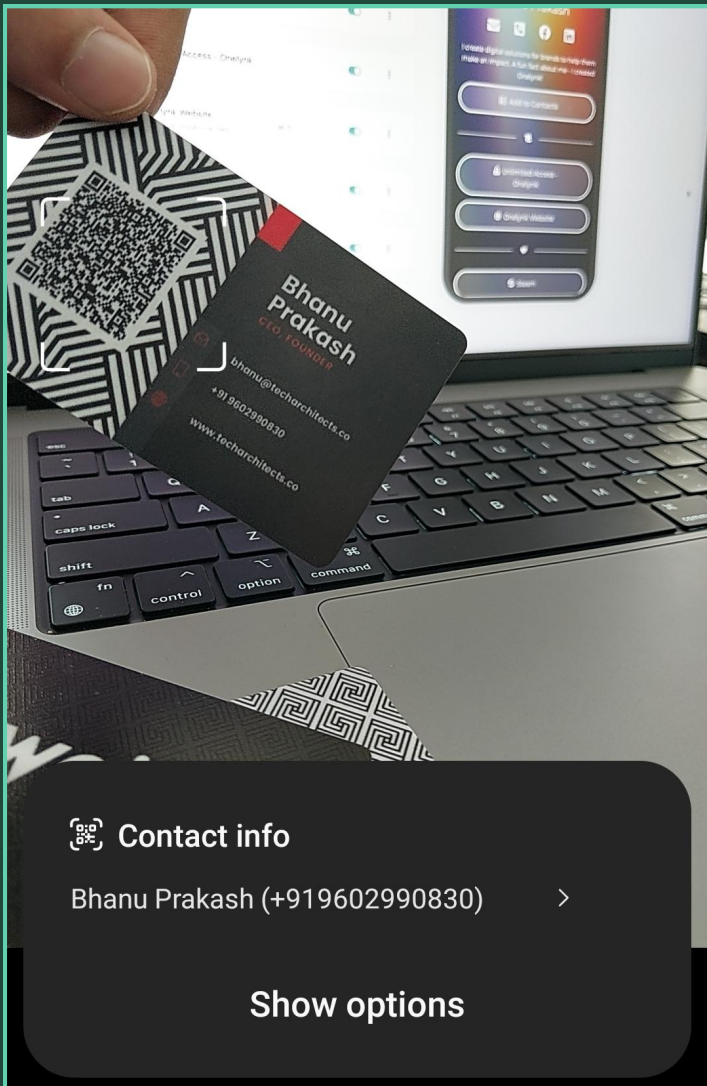

Unmatched Quality

Our uniquely crafted concepts are printed with precision high grade UV printing which offers durable and crisp finishes. Each card is printed carefully and goes through a rigorous 5-step quality check process prior to dispatch.

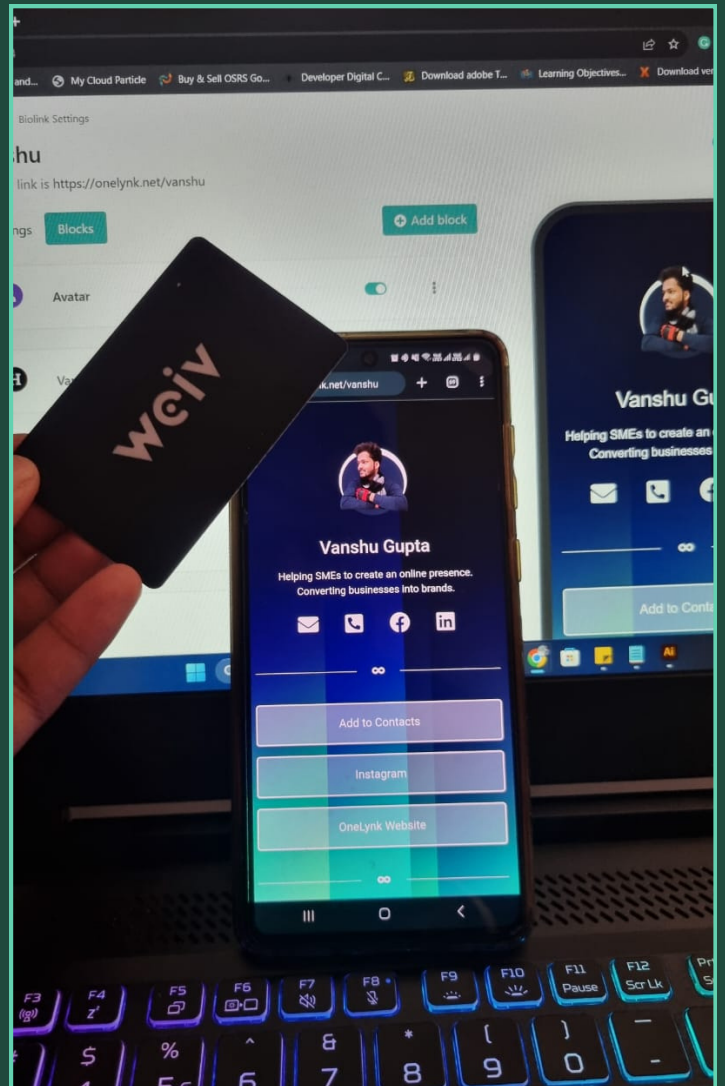

LATEST QR CODE

Our new independent QR code works without internet:

DEMONSTRATION

The real life example below visualizes our NFC tech in action:

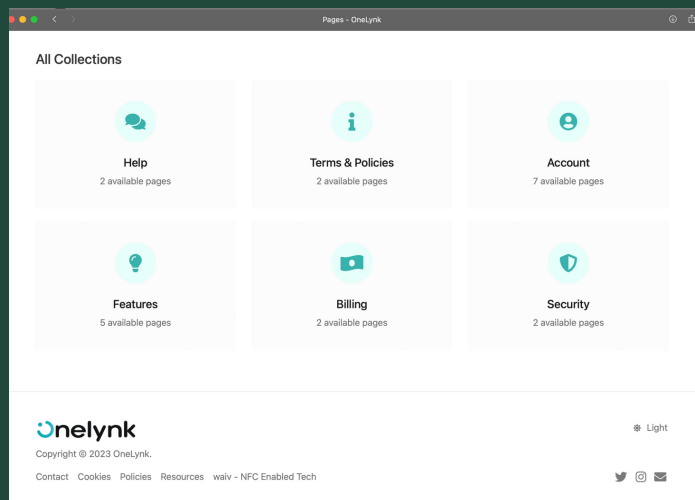

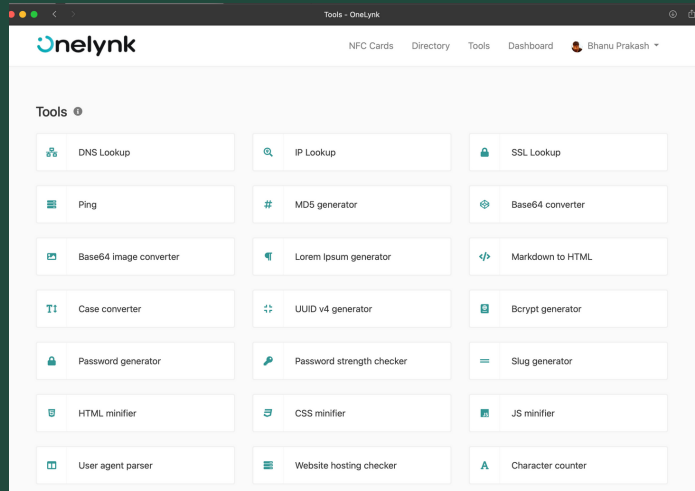

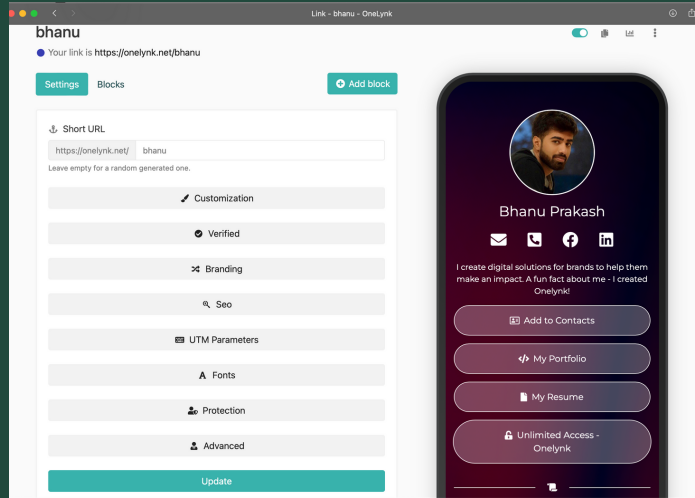

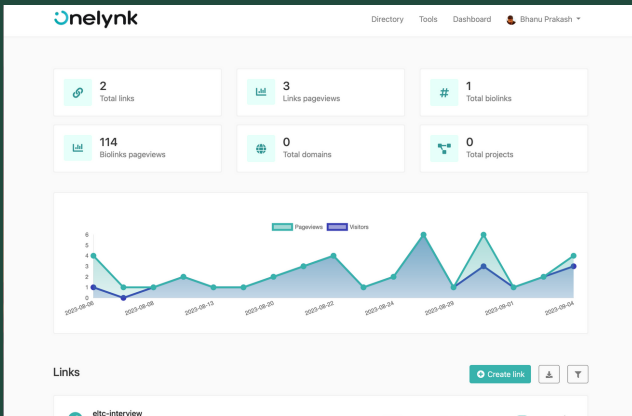

SUPERCHARGED WITH ONELYNK

We have curated a hassle free end to end experience for you to manage your profile and data.

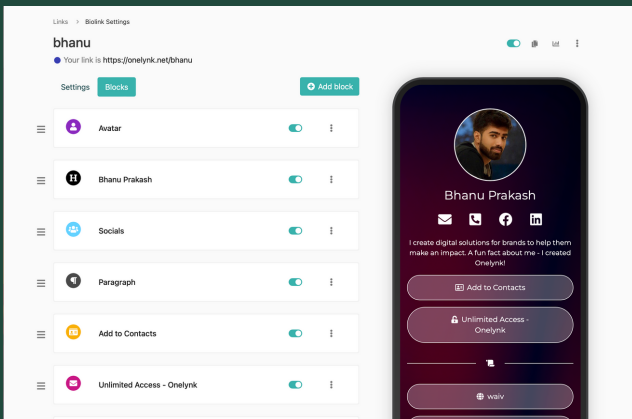

All cards are shipped to work out of the box with OneLynk and do not require a continued paid plan to keep working.

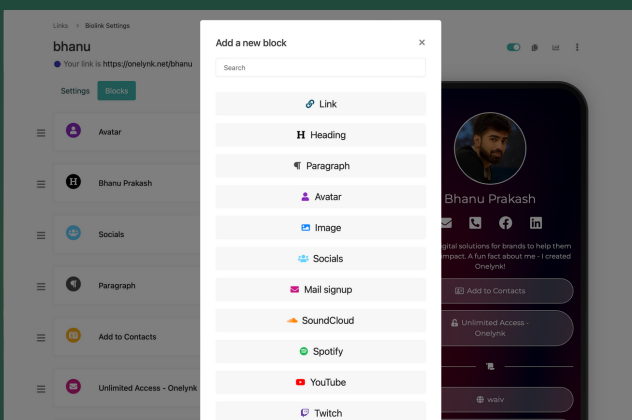

DASHBOARD

Intuitive dashboard that gives you capability to host all your digital assets with an overview of your stats and the options to access and manage your digital profile ability to generate QR codes and shorten links.

SEAMLESS MANAGEMENT

Easily manage your data and choose what you wish to showcase on the go – no coding knowledge required. With realtime visual feedback, you can see precisely how your edits will appear as you make them. Toggle switches to let you control elements within seconds!

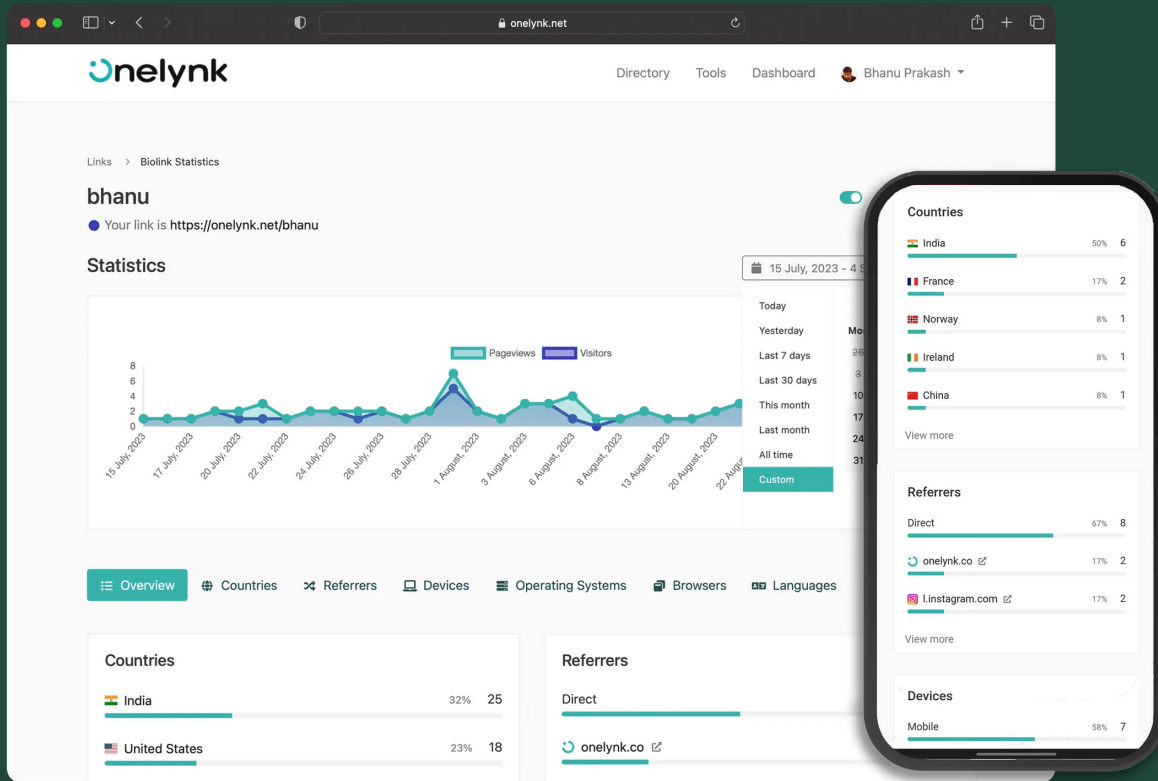

READY TO USE COMPONENTS

40 ready to use components including Link, Heading, Paragraph, Avatar, Socials, Image Grid, E-Mail & Phone Sign Up, Paypal, Countdown, Audio, Custom File, Contact Card, FAQ and more allow you to easily build stunning and functional pages in no time.

OneLynk Statistics

MAKE DATA DRIVEN DECISIONS

You get unmatched visibility into day by day stats that include referrers, browsers, countries, operating systems and languages to provide you with advanced tracking for all your traffic that goes through OneLynk.

There's much more you can do with OneLynk and below are the highlights:

- The platform is a canvas, and you are the artist. OneLynk does not just store your data; it celebrates it, transforming every byte of information into a opportunity.
- Collect leads, payments or just showcase your passions. Mobile & SEO optimised, easy to create mini landing pages with support for custom HTML, CSS & JS.
- Seamlessly shorten any link and capture URL based stats without hassles of setting up analytics. With A/B rotation, expiration, scheduling and more.
- Swiftly generate and manage fully featured custom QR codes with support for custom logo, highly customisable with colors, gradients, transparency options and more.

Purchase & Contact

Please visit our website www.getwaiv.com for our complete catalogue, more details and to place your order. Our team specially reaches out to every user for assistance and ensuring a truly hassle free experience.

We also offer free trial on our software OneLynk. If you wish to take it for a spin, please head over to www.onelynk.net and sign up to claim – no payment information will be required.

We offer special pricing for corporate and bulk orders, please reach out and we'll ensure that you're getting the best deal!
